---

**ACTIVITIES & EVENTS**

Learning began through fun filled activities as always.

**English:**
- The children became acquainted with the character “Leon” by doing a character sketch. The poem “Wind Song” was thoroughly enjoyed by creating different sounds. The children played a guessing game and recognized the different sounds played on the media player.
- Chinese Dragons came to life through visuals. A video clip of the famous dragon dance in a parade in China was shown.

**Mathematics:**
- Building numbers, Place Value, Standard and expanded form was learnt through various activities. Number discs were used to introduce place value.

**Science**
- A video explaining the 3 states of matter was shown.
- Different activities were done to learn how molecules behave in the different phases.
- Activity with the kids inside a hula hoop, acting as molecules was thoroughly enjoyed by the kids.

**Social Studies**
- The children enjoyed sharing pictures of themselves from places they visited in Pakistan through a show and tell activity.

**Social Studies**
- A booklet of the names of Allah was made by the children. They learnt about the things made by Allah by bringing pictures from home and were made to paste them in the copies.

---

**EXTRACURRICULAR**

- Independence Day was celebrated with much zeal and fervor in school. The students sang the National Anthem and enjoyed the national songs.
