IMPORTANT
EXPECTATION FROM PARENTS

1. As reinforced earlier no cars will be allowed to park along the school walls or gates at any time.

2. No parent or guardian will be allowed to pick up the children without presenting the Student ID Card issued by the school.

3. A fine of Rs. 200 will be levied before issuing the PINK SLIP.

4. To maintain a smooth traffic flow in the morning, students must put their school bags next to them (not in the trunk) so they can get out of the car and enter the school building in the minimum possible time.

5. Car pooling will reduce traffic outside school. We request parents to make car pool arrangements.

6. No one will be allowed to enter the premises without a prior appointment. The appointment will be reconfirmed from the reception desk before the VISITOR CARD is issued.

7. Please minimize visits to school. Make a phone call to discuss a problem or take an appointment.

8. At home time we expect parents not to spend time inside the building mingling with other parents as we need to clear traffic rush outside the premises as soon as possible.

9. Please pick up your child promptly as we will take strict action if they are found sitting in late without a valid reason.

10. Please refrain from rumor mongering on social media, such as, whatsapp, facebook, twitter, etc and outside school. Kindly discourage your child from doing the same.

11. Please maintain a positive attitude to reduce risk and help your child to do the same.

12. Explain to your child the gravity of the situation without alarming, panicking or depressing them.

13. Everyone should be alert including students, parents, drivers and report anything suspicious using the given emergency contact numbers.

15. Strict action will be taken against those who do not follow the revised Security and Traffic rules.

Remember your cooperation at all times will ensure both your child’s and school’s safety, so you are kindly requested to cooperate at all times!

Thank You,
Administration
